

-Serving Notice- The Truth Will Prevail Declaration

Dear _____,

RE: Accountability

The Marxist-Socialist are attacking our Constitutional Republic, destroying our freedoms by creating laws and mandates that usurp all power from We The People as our tyrannical politicians lord over us controlling every aspect of our lives by vilifying anyone who speaks or stands up against them, but the Truth will prevail.

Freedom of speech, assembly and medical freedom are under assault. Only doctors who agree with forced vaccinations and downplay the effectiveness of Ivermectin and Hydroxychloroquine are allowed to speak. 50,000 medical professionals and scientist from around the world have “peer reviewed” the science and signed the Great Barrington Declaration stating these covid lockdowns and restrictions are doing more harm than good, but they are silenced. Medical science has proven masks do not stop the virus and they weaken the immune system as people breath in dangerous levels of carbon dioxide, yet we are stilled forced to wear masks. Vaccine Adverse Effects Report (VAER’s) from mRNA vaccine: permanently disabled 32,644 / hospitalized 102,857 / miscarriages 3,230 / deaths 19,866. Adverse effects reported from mRNA vax; 946,461. Now our children are being vaccinated and risk permanent injury, even death as they tell us this experimental vax is “safe.” The **Nuremberg Code will stand** and the Truth will prevail.

Parents who speak out against the school boards are called “Terrorists.” People who challenge the 2020 election are called “Insurrectionist.” People who stand up and protect their property from rioters are called “Racists.” People who have worked hard all their life and have given to help others, are called “White Supremist.” Parents who don’t want a man using the same bathroom as their little daughter are called “Haters.” Police are called “Bad” and rioters destroying cities are called “Peaceful Protesters.” People who point out our Constitutional Republic is under attack and being subverted by Communists are called “Conspiracy Theorists” but the Truth will prevail.

When elected officials and people in bureaucratic organizations create laws and mandates that are unjust violating the Original Intent of our Constitution, the result is a tyrannical government run by despots. This will lead to lawlessness and chaos as evil becomes good and good becomes evil. Freedom and Liberty will be replaced with conformity and bondage as individual rights give way to Communistic control. Many politicians and elitist believe they are above the law, but the Truth will prevail because the light will overcome the darkness.

All authority in our Constitution is delegated by God. The County Sheriff is given the highest authority to protect and govern our County. All elected officials of this County have delegated authority from God; Board of Commissioners, County Clerk, Prosecuting Attorney, Judges, School Boards, Township Boards, City Councils, Mayors and so on. They have **taken an oath** which cannot be shirked by hiding behind lawyers and unjust laws and mandates.

Therefore, I invoke the Magna Carta and the doctrine of the lesser magistrates. It is the duty of those in authority, our employers, doctors, lawyers, police and elected officials to interpose for the people, to protect them from unconstitutional laws and tyrannical overreach. They have been put into position by God to protect our local communities, our children, our schools, our businesses, our churches, our medical care, and to keep the peace. Unfortunately, many have sold us out, but the Truth will prevail.

Therefore, I will stand for the Truth and our Constitutional Republic no matter what the Marxist-Socialist call me. I know who I am. I love freedom, I love this country and I will stand for the Original Intent of the Constitution. I am honored to be called a Patriot. **County by County** we will break the bonds of tyranny as we stand together as One Voice bringing the authority to govern back to our local communities.

Therefore, this declaration is “-Serving Notice-” to those in authority, our employers, doctors, lawyers, police and elected officials the **Truth Will Prevail** and you will be held accountable for the decisions you make. ServingNotice.org
