

MICHIGAN FIRST PRECINCT DELEGATES

- The Precinct Strategy -

"One of the penalties for refusing to participate in politics is that you end up being governed by your inferiors." – Plato

Our rights are trampled daily.

Our "leaders" are corrupt and complacent.

Transparency, accountability and integrity are lost.

We voice our frustration on social media, attend rallies, participate in protests, speak up at school board meetings, make statements in front of our county board of commissioners, lobby elected officials. All these actions are wonderful.

Now it's time to be effective.

America First begins in your backyard.

Become a precinct delegate.

Restore the Republican party.

Return to Constitutional, conservative values.

SAVE MICHIGAN!

**FILL EVERY VACANT
PRECINCT DELEGATE POSITION
IN THE REPUBLICAN PARTY.**

- The Most Powerful Elected Office -

THE MOST POWERFUL ELECTED OFFICE IS PRECINCT DELEGATE.

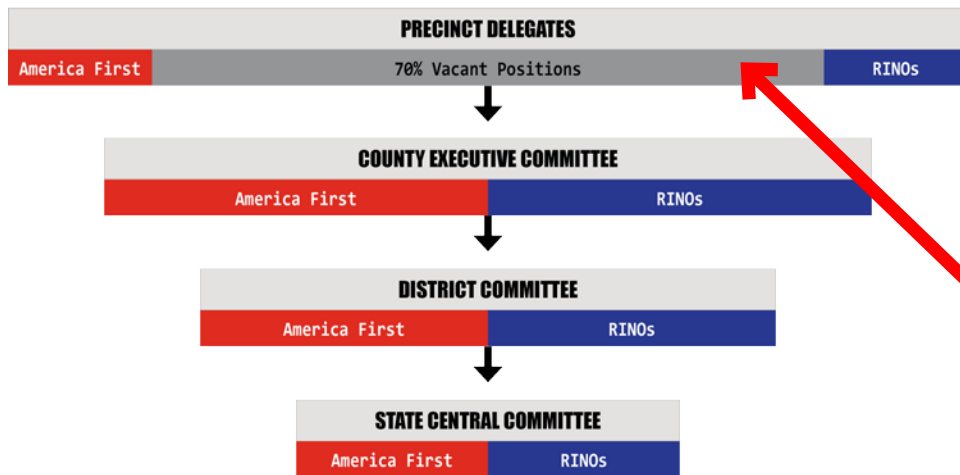

Precinct delegates are the backbone of each major political party: in fact, the parties would cease to exist without them. In Michigan, they have the power to:

- Elect party leadership
- Nominate major state office candidates
- Increase voter turnout

ELECT PARTY LEADERSHIP

Every 2 years, precinct delegates have an opportunity to elect new leaders for the county, district and state party committees.

CURRENT MICHIGAN REPUBLICAN PARTY OPERATING AT HALF-STRENGTH & AT WAR WITH ITSELF

The current Michigan Republican Party, portrayed in the diagram to the left, consists of a mixture of America First, constitutional conservatives and RINOs (Republicans in Name Only).

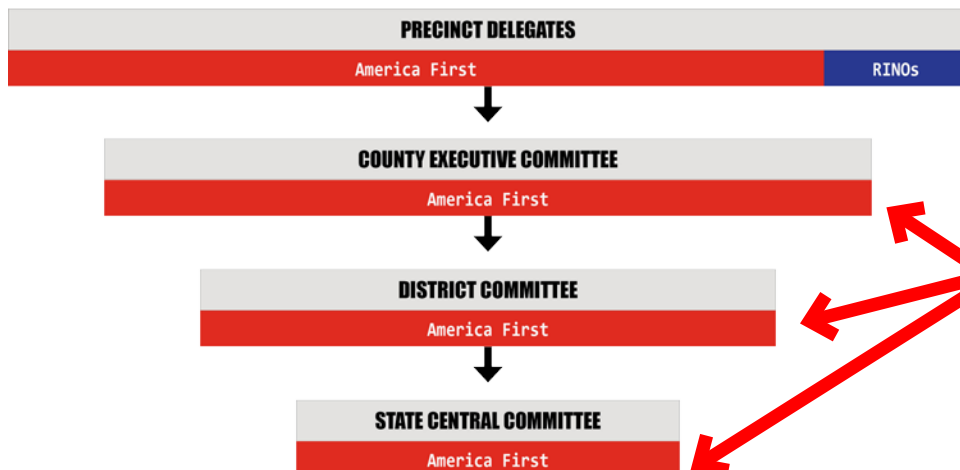

The party is at war with itself. It is no match for the Democrat, socialist agenda when it's operating at half strength.

Over 70% of positions are waiting to be filled!

SAVE MICHIGAN by filling every vacant precinct delegate position with a courageous, constitutional conservative.

This is the only recipe for success.

RESTORE THE MICHIGAN REPUBLICAN PARTY FILL EVERY VACANT PRECINCT WITH CONSTITUTIONAL CONSERVATIVES

REPLACE RINOs with those who will represent We the People and fight for America First policies.

We can restore the Michigan Republican Party to full strength and start winning once again!

INCREASE VOTER TURNOUT

Precinct delegates are the liaison between the Republican Party and up to 3,000 registered voters in their precinct. Active precinct delegates can build significant influence in their neighborhood and become the trusted source voters turn to for political news and advice.

They've been known to increase voter turnout by over 30%! That's over 900 votes.

America First candidates often face contenders backed by lobbyists and wealthy donors. They must rely on grassroots activists and precinct delegates to assist in promoting them.

State legislative races are sometimes decided by less than a few hundred votes.

One more active delegate could make ALL the difference in getting solid, constitutional conservatives over the finish line!
