

The Harbinger Billboards

Harbinger: something that foreshadows a future event: something that gives an anticipatory sign of what is to come -Merriam Webster.

A “sign” of what is to come was erected in Sandusky MI. It is a billboard that reads; “The Truth Will Prevail, ServingNotice.org.” This is a movement stating the truth about COVID Vaccinations. That people in authority will be held accountable for their decisions mandating vaccinations as the Nuremberg Code will stand.

Next to that billboard stands another “sign” that reads; “Stay ahead of COVID. Get vaccinated. MDHHS” How ironic that one billboard opposes the other? No one intended this, it just happened.

People are seeing the truth about COVID. The states with the most severe lock-down restrictions, had a higher death rate, education greatly hindered and businesses destroyed. The good people in the states of New York, California, New Jersey, Illinois and Michigan suffered more than need be. These states are all run by Democrat Governors. We now know, the masks do not stop, or slow the spread of COVID and neither do the vaccinations. There are hundreds of doctors around the world who attest to these facts <https://rumble.com/vt62y6-covid-19-a-second-opinion.html>

The Writing is on the Wall

The billboard that says “The Truth Will Prevail” was intentionally designed to look like “writing on a wall” as it gives reference to a Scripture passage in Daniel. The book of Daniel is a prophetic book about the end times. The Babylonians had captured Judah and taken the Jews as prisoners. Seventy years later, Belshazzar, the King of Babylon, brought out the utensils that had been taken from the Temple of the Jews and desecrated them by using them to praise the gods of gold and silver.

While they were celebrating, fingers from a man’s hand appeared on the wall and wrote MENE, MENS, TEKEL, UPHARSIN which interpreted means “God numbered the days of your kingdom and it is finished. This night your kingdom will fall and be given to the Medes and Persians; to King Cyrus.” Many people believe **President Donald Trump** is a type of King Cyrus, including the present-day Sanhedrin in Israel.

The **Deep State** are the modern-day **Babylonians**. In the book of Revelation, Babylon falls before Jesus returns to earth. A cry goes out, “Come out of her (Babylon) my people lest you share in her sins, and lest you receive her plagues,” (Rev 18:4).

I believe these two billboards that oppose one another **are a harbinger**, a sign of what is coming. The “writing is on the wall.” Babylon (the Deep State) is falling and the Truth Will Prevail. We The County is Serving Notice, “Come out of her My people!”
