

THE PLEDGE: I Will Protect God's Children

There is an attack on our children to destroy their innocence, identity, morality, peace of mind, gender, cohesiveness with others, emotional well-being, relationship with their parents and the family unit. They are being groomed sexually, opening the door for pedophiles. Child abuse of this magnitude constitutes **Crimes Against Humanity**.

People who are justifying and promoting the abuse through "Diversity, Equity and Inclusion (DEI)" programs, and counsel our children through "Social Emotional Health" will soon realize the devastation to our children is undeniable. Schools who justify sexually indoctrinating our children with these programs because of funding from the federal government, are supporting child abuse. The hearts and minds of God's children are not for sale!

Therefore, I Pledge:

- I will Protect God's Children.
- I will affirm God's truth; He made them male and female in His image; each one is unique and beautiful.
- I will affirm biologically false pronouns are child abuse.
- I will affirm God's love for all children.
- I will affirm my love for every child regardless of their gender identification or sexual status.
